

Thirty-Sixth Annual

2019

*Governor's Scholars
Award Program*

It is my pleasure to welcome you to the Governor's Scholars Program. Your hard work has made Kansas proud!

The Governor's Scholars Program has been recognizing outstanding graduating seniors who finished in the top one percent of their high school graduating class for the past 36 years. Congratulations on joining this elite group of Kansans!

Throughout my career, it's been my mission to invest in our children's future. Funding our public schools, supporting our educators, and establishing a robust early childhood development program are my administration's main priorities. A path to education is a path to opportunity. Whatever avenue you may choose after graduation, your opportunities are limitless and the contributions you can make to the world will be invaluable. Congratulations on your outstanding achievement. I'm excited to see what you will accomplish, and may your success be multiplied in the years to come!
